This set was done using finished 2 inch blocks for a Triple Irish Chain quilt

2 X 10 fill P2P

4 X 10 fill P2P B

4 X 10 fill P2P A

6 X 10 fill P2P A

6 X 10 fill P2P B

These fills were made to fill in where the sashes won't. I am including various sizes.

8 X 10 fill P2P B

8 X 10 fill P2P A

FB border 9

New moon P2P loops

These sashes are point to point but do not connect to the next one. They were made that way so you can take them to the corner to help hold down that corner.

If you do not want that tail that goes to the corner divide out the pattern and remove the tail...

They are all 14 inches long (except the top left corner sash which is 18 inches long) and cover 7 rows and 5 columns of 2 inch blocks. Look at the layout carefully for placement of different patterns.
